Mrs. Ora Kay Peterson
c/o Mineral King Preservation Society
2936 South West Street
Visalia, CA 93277

Dear Mrs. Peterson:

Many thanks for your letter of July 23. I found the information on the new Mineral King Preservation Society most interesting and have circulated it among members of my National Register staff.

Since you are located in Tulare County, members of your group may be interested in attending our office's Second Annual Rural Preservation Conference in Hanford on October 14-16. I am enclosing flyers which describe the activities we will be undertaking. We invite your participation.

Please keep us informed on the society's progress. Good luck!

Sincerely,

Kathryn Gualtieri
